4. Payment of the registration fee shall be made on-site during the official registration hours on the first day of the Regional ITE Summit, July 20, 2026.
5. The Top Three (3) winners in each competition shall be declared as Champion, 1st Runner-up, and 2nd Runner-up.
 - Champion – Certificate of Recognition, Trophy, and Php 3,000.00 cash prize
 - 1st Runner-up – Certificate of Recognition, Trophy, and Php 2,000.00 cash prize
 - 2nd Runner-up – Certificate of Recognition, Trophy, and Php 1,000.00 cash prize
6. All protests must be submitted in formal writing and must be duly signed by the Team Coach and the Head of the Delegation to be considered valid.
7. Once the winners are officially announced, the decision of the Board of Judges is final, binding, and irrevocable.

REGIONAL SUMMIT 2026

BRIDGE BUILDING Competition Guidelines

Competition Date and Time: July 22, 2026 | 8:00 AM

Competition Venue: SP White Bench

I. Participants

1. The competition is open to:
 - Senior High School students and
 - Tertiary Level Students
2. Participation is team-based.
 - Each team shall consist of five (5) members.
 - Each institution may send a maximum of three (3) teams.
3. All participants must accomplish and submit the official registration on or before the designated deadline.
 - Participants that fail to register within the given period will not be allowed to participate.

II. Competition Format and Mechanics

1. Each team must construct their bridge on-site within a strict two (2) hour time limit.
2. Organizers will assign a unique official team number to each participating group for identification.
3. A box containing all necessary materials will be distributed to each team fifteen (15) minutes before the start of the competition.
4. Teams may only open the box and begin brainstorming or inspecting materials during this fifteen (15) minute pre-construction period.
5. The use of mobile phones, gadgets, or any external design references is strictly prohibited; participants must enter the competition area barehanded.
6. Once the competition time expires, teams must immediately stop all work; any further modification or alteration of the output will lead to disqualification.
7. The structural testing of the bridge must be performed and facilitated by the participants under the supervision of the organizers.

III. Criteria

Design	30%
Strength	70%
TOTAL	100%

REGIONAL SUMMIT 2026

IV. Results

1. Awards shall be given to: Champion, 1st Runner-up, and 2nd Runner-up
2. The decisions of the judges/facilitators are final and irrevocable.

Note: Please refer to the General Competition Guidelines for additional rules and specific procedural requirements.
